

SPECIAL EVENT IN SAVANNAH - DINNER WITH THE PRESIDENT

MR. WILLIAM BOZE – INTERNATIONAL SAWE PRESIDENT & EXECUTIVE DIRECTOR ELECT

SOCIETY OF ALLIED WEIGHT ENGINEERS
Aerospace • Marine • Offshore • Land Vehicle • Allied Industries

William Boze
International SAWE President
Huntington Ingalls Industries

“Everything You Wanted to Know About Mass Properties Engineering but Were Afraid to Ask”

Bill Boze's frank, passionate and informative perspective on mass properties engineering is backed by research and supported by personal (and often humorous) experience. He will explore a range of topics including but not limited to:

- The value of mass properties engineers;
- Why anyone would want to be a mass properties engineer;
- How you cannot achieve greatness without mentoring;
- Plus near term opportunities for mass properties engineers.

Don't miss this rare occasion to meet, not only the International President of SAWE, but a champion for mass properties engineering, industry standards and mass properties engineering certification.
